Springtime in Yosemite

Sunday - Tuesday, April 14 - 16, 2013

Yosemite National Park is a year round wonderland. In a park the size of Rhode Island, there are adventures to be had in every season. Come along in the spring to see thundering waterfalls, sometimes snow still on the mountain tops, windflowers beginning to bloom, and deer wandering the valley floor. This springtime adventure awaits!

Day 1 - Sunday, April 14

Depart from Target parking lot in Woodland at 7:00am. (Coffee and refreshments served on the coach!) Relax and enjoy the ride down the valley to Fresno. *Roger Rocka's Dinner Theater* is our destination for a delicious buffet lunch and a superb show. It began as the outstanding Good Company Players, a summer stock company in 1973, and began presenting musicals and comedies in 1978.

After the delicious lunch take your seat in the "saloon full of lovable prospectors." Lerner & Loewe's golden nugget of a musical strikes it rich this afternoon. Enjoy the favorite songs such as "The Call the Wind Maria", "There's a Stagecoach Coming in". "Another Autumn" and many others.

Depart from the Theater for a short ride to *Chukchansi Gold Resort & Casino*, your overnight accommodations for the next two nights. There are 6 award-winning restaurants, a full service spa, table games and slots in the hotel. Each passenger receives a bonus of \$20 in slot play and 4 - \$5 food credits (when you sign up for a players card). So enjoy a great evening of leisure as you choose.

Day 2 - Monday, April 15

Depart from Chukchansi Resort this morning for a scenic ride into beautiful **Yosemite Valley**. The view is breathtaking as the coach travels into the mountains and valleys - keep your eyes open for the waterfalls. Arrive on the Valley floor and enjoy a two-hour open-air tram tour narrated by a Park Ranger. See some of the

most famous sightseeing points including Yosemite Falls - one of the tallest waterfalls in North America, Half Dome Rock and El Capitan Rock formations, and wildlife that call the Valley their home.

After the tram ride, enjoy free time for lunch on your own and to browse the museums and shops at the Main Lodge.

Depart late afternoon to return to Chukchansi for an evening of leisure.

Day 3 - Tuesday, April 16

Sleep in! No early rising today. Depart at 11:30am and travel to **Hilmar Cheese Company.** A delicious lunch is included.

Menu: Hilmar Cheese Chowder, Green Salad, Seasonal Vegetable & Roasted Potato Medley, Fresh Baked Rolls, Breast of Chicken Dijon, Hilmar's Famous Cheese Pie Dessert.

Continue on to visit **Sciabica's Olive Oil Company** for a tasting and demonstration. Lemon, jalapeno, basil, rosemary, lavender, and garlic are just a few of the unusual flavors of the tasty olive oils for dipping, drizzling or preparing meals.

All too soon, your **Springtime in Yosemite** adventure has come to an end, and it is
