[Sealed Bid for E. Beamer Trunk Sewer Lining Project, CIP #16-11 - deliver immediately to the City Clerk’s Office]

Bid Date-Time: September 29, 2016 @ 2:00 p.m.

A-1 DESCRIPTION OF WORK

This project shall be conducted in accordance with the plans, specifications and other contract documents, all of which may be examined at the Community Development Department, Engineering Division at 300 First Street, Woodland, CA 95695, Phone: (530) 661-5820. Site inspections may be arranged through the Engineer Sara Andreotti, (530) 661-5951, sara.andreotti@cityofwoodland.org.

The project will rehabilitate approximately 1,300 feet of deteriorated 30-inch concrete sewer pipe through trenchless construction methods. The existing pipeline will be sliplined with a new 27-inch PVC pipe. A launching pit will be constructed at the approximate mid-span of the segment to push the new pipe in place. The pit will ultimately be backfilled and a new permanent manhole will be constructed in its place. The annular space between the new PVC pipe and existing concrete pipe will be filled with grout to lock the pipe in place.

The City’s estimated cost of the improvements for base bid only is \$500,000;

A-3 CONTRACTOR LICENSE AND REGISTRATION

The successful bidder must possess a current, valid Class A, General Engineering Contractor's License issued by the State of California.

Provide proof of registration with the California Department of Industrial Relations (DIR) by completing the subcontractor form included in the Bid Form.

A-4 BID GUARANTEE

All bids must be sealed and accompanied by cash, cashier's check, certified check, or Bid Bond made payable to the City in the sum of not less than ten percent (10%) of the amount of the bid. For the purposes of this Section, "the amount of the bid" includes all additive alternates but does not include deductive alternates.

Notice Inviting Bids

The cash, cashier's check, certified check or bond shall be given as a guarantee that the successful bidder will enter into a written contract within ten (10) work days after being requested to do so. The bid security will be declared forfeited if the successful bidder fails to comply within said time. Upon an award to the successful bidder, the security of bidders shall be returned in a reasonable period of time.

Bidders are hereby notified that in accordance with the provisions of Public Contract Code section 22300, securities may be substituted for any monies which the City may withhold pursuant to the terms of this Contract to ensure performance.

A-5 SUBMISSION OF BIDS

Mailed bids must be received by the City Clerk prior to the hour and date of the bid opening and shall be addressed to the City Clerk, 300 First Street, Woodland, CA 95695. Hand delivery of bids on the day of the bid opening shall be made to the City Clerk at the address set forth above.

Bids shall be made upon the form(s) provided in the contract documents. All bids shall be properly completed with all items filled out; numbers shall be in writing and figures; the signatures of all persons signing shall be in longhand. No bidder may withdraw its bid for a period of sixty (60) calendar days after the time set for the opening of bids. The City Council will act to accept or reject bids within that period of time.

A-6 LABOR CODE

Bidders are hereby notified that pursuant to section 1770 *et seq.* of the Labor Code of the State of California, the Director of Industrial Relations has ascertained the general prevailing rate of per diem wages and the rates for overtime and holiday work in the locality in which the work is to be performed for each craft, classification or type of worker needed to execute the contract which will be awarded to the successful bidder. Copies are on file with and available upon request from the Engineer and are also available at the following California website: <http://www.dir.ca.gov/dlsr/PWD/index.htm>. The successful bidder shall post a copy thereof at each job site. The requirement to pay these wage rates is further detailed in Part IV, Section E(2) of General Conditions. It shall be mandatory upon the bidder to whom the Contract is awarded, and upon any subcontractor under him to comply with all Labor Code provisions, which include, but are not limited to the payment of not less than the said specified rates to all workers employed by them in the execution of the Contract, employment of apprentices, hours of labor and debarment of contractors and subcontractors.

A-7 AWARD

The award shall be made to the lowest responsive, responsible bidder whose Bid complies with the specified requirements. The lowest bid shall be determined **based on base bid alone**. However, City may choose to award the contract on the basis of the base bid alone or the base bid and any alternate or combination of alternates. The award of

Notice Inviting Bids

Contract will be made by the City Council. The Contractor shall execute the Contract within ten (10) work days after receipt of the Contract from the City.

The City reserves the right to waive any informalities or irregularities in the bids. The City reserves the right to reject any and all bids.

A-8 DISQUALIFICATION OF BIDDERS

If there is reason to believe that collusion exists among any bidders, none of the bids of the participants in such collusion will be considered and the City may likewise elect to reject all bids received.

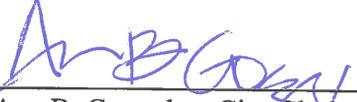

A-9 BONDS

Prior to the performance of any work hereunder, the successful bidder shall be required to furnish both a payment bond in an amount equal to one hundred percent (100%) of the Contract price and a faithful performance bond in an amount equal to one hundred percent (100%) of the Contract price. All bonds are to be secured from a surety company acceptable to the City and that meets all of the State of California bonding requirements, as defined in Code of Civil Procedure section 995.120, and is authorized by the State of California, and all documents required by Code of Civil Procedure section 995.660, to the extent required by law.

A-10 BRAND OR TRADE NAME

Pursuant to Public Contract Code Section 3400(b) the City may make a finding that designates certain materials, products, things, or services by specific brand or trade name for the statutorily enumerated purposes. As required by Section 3400 (b) the City has made such findings as further described in the Supplemental Conditions. These findings, as well as the materials, products, things, or services and their specific brand or trade names that must be used for the Project may be found in Section C-26 of the Supplemental Conditions.

Authorized by the City Manager/Woodland City Council, dated September 6, 2016.
