## REPORT TO MAYOR AND CITY COUNCIL

AGENDA ITEM

TO: THE HONORABLE MAYOR  
AND CITY COUNCIL

DATE: October 16, 2007

SUBJECT: Resolution to Amend Employees and Retirees PERS  
Medical Allowance for 2008

### **Report in Brief**

The City Council is requested to adopt the attached Resolution Numbers \_\_\_\_\_ titled "Fixing the Employer's Contribution Under the Public Employee's Medical and Hospital Care Act." The City must adopt a separate resolution for each employee association/designated employee group.

### **Background**

The medical allowance contribution for PERS medical insurance will change on January 1, 2008. PERS requires the City of Woodland to authorize by resolution that employee and retiree monthly medical contributions be adjusted to reflect contribution changes. Therefore, Council is requested to approve the attached resolutions to adjust PERS medical contribution rates for employees and retirees. This adjusts the monthly employee and retiree medical contributions starting January 1, 2008 for each employee or annuitant to the amount necessary to pay the full cost of his/her enrollment, including the enrollment of his/her family members in a health benefits plan up to a maximum of \$97.00 per month.

Staff recommends that the City Council adopt Resolutions Nos. \_\_\_\_\_ titled "Fixing the Employer's Contribution Under the Public Employer's Medical and Hospital Care Act".

### **Discussion**

According to all the current Memorandum of Understandings, the City of Woodland has agreed to contribute \$97.00 toward the PERS medical benefit, effective January 1, 2008. The California Public Employee's Retirement Law requires that contracting agencies make any changes to medical contributions by resolution and file this resolution with PERS two months before the action is to occur. This is an annual action by the Woodland City Council.
