REPORT TO MAYOR AND CITY COUNCIL

AGENDA ITEM

TO: THE HONORABLE MAYOR
AND CITY COUNCIL

DATE: October 16, 2007

SUBJECT: Board and Commission Appointments

Report in Brief

Council as per the Municipal Code is the appointing authority for members of City Boards and Commissions. These Boards and Commissions are vital to the City as their intensive study and recommendations on specific areas assist the Council in the assessment of those areas.

Council is requested to consider and appoint members to the Historical Preservation Commission (3 openings), and the Parks and Recreation Commission (1 opening), effective immediately.

Background

Council Members Marble and Monroe interviewed three prospective members for the Historical Preservation Commission and three for the Parks and Recreation Commission. The interview team is requested to make their recommendations known to the balance of the Council and seek approval to appoint.

Please note, the new process for securing background and reference checks is not effective until October 18, 2007. A revised application and process is under development.
