Dan,

I regret I must step down from Chairman and resign from the Parks and Rec Commission before our next scheduled Commission meeting in April. I have accepted a job position out of State and start on April 21. I have enjoyed my time working with you and your staff, the other commissioners and the City Council. I am proud to have been a part of the Woodland Community and Senior Center planning process.

With everything I must complete prior to my move, I do not think I will have enough time to go on the parks tour on Saturday. My apologies for the short notice.

Nate Peterson
