

REPORT TO MAYOR AND CITY COUNCIL

AGENDA ITEM

TO: THE HONORABLE MAYOR
AND CITY COUNCIL

DATE: March 17, 2009

SUBJECT: Community & Senior Center Sports Facility Scheduling Policy

Report in Brief

The City currently operates four (4) multi-purpose sports fields and one (1) soccer only field at the Community & Senior Center Sports Facility. These fields can host a variety of sporting events. The main sporting activities these facilities will support are softball, soccer and occasionally baseball. Because these sports go year round, it is necessary to determine each sport's priority season for these multi-purpose fields. At their July 22, 2008 meeting, the Woodland Sports Council recommended the first draft policy to the Parks & Recreation Commission. Representatives from soccer, softball and baseball organizations were present. The Commission met on September 22, 2008 and unanimously recommended this policy to Council for approval. The Council discussed this item at their November 18, 2008 meeting and has led staff to make some adjustments to bring back to Council at a later date.

The Woodland Sports Council met on January 7, 2009 and reviewed the changes. As a result of this meeting, the Woodland Sports Council recommends to the City Council that the scheduling policy: 1) provide first priority to the local user groups and let out remaining availability to others after their needs are fully scheduled; and 2) provide all 5 fields to the priority user during their season and not utilize a 3/2 ratio for distributing fields. Staff reviewed these recommendations with an "ad-hoc" group that included Mayor Davies and two members of the Park & Recreation Commission and determined that the recommendations should be presented to the City Council.

Staff recommends that the City Council approve the attached policy and 12 month scheduling guideline for the Woodland Sports Park.

Background

The Council and the Park & Recreation Commission directed staff to develop a Sports Park scheduling policy. In order to establish seasonal use for the Sports Park fields, staff and stakeholders meet with the Woodland Sports Council to develop and recommend a priority use policy for the multi-use sports fields.

The Woodland Sports Council recommended at their July 22, 2008 meeting the first draft Sports Park Scheduling Policy to the Parks & Recreation Commission. Representatives from soccer, softball and baseball organizations were present. The Commission met on September 22, 2008 and unanimously recommended this policy to Council for approval. The Council discussed this item at their November 18, 2008 meeting and asked staff to make some adjustments and bring back to Council at a later date for approval. The Woodland Sports Council met on January 7, 2009 and reviewed the changes. The Woodland Sports Council recommends to the City Council: 1) provide first priority to the local user groups and let out remaining availability to others after their needs are fully scheduled, and 2) provide all 5 fields to the priority user during their season and not utilize a 3/2 ratio for distributing fields.

After extensive discussion with community stakeholders, staff made the determination that a blanketed ratio would not work and create more problems than solve. Instead, staff has developed a custom allocation that will apply to every month of the year. Staff presented this policy at a meeting with the Mayor, two Parks and Recreation Commissioners, the Parks & Recreation Director, Recreation Superintendent and Woodland Soccer Club President Robert Marin.

Concurrently, staff addressed Douglass Holding Ponds issues with a representative for neighborhood around Dave Douglas Park. The conversation was concerning the number of soccer fields at the Park and limiting the number of fields to three in order to relieve the neighborhood traffic congestion that has occurred periodically and generated complaints. The Woodland Sports Park Scheduling Policy actually allows for soccer organizations to utilize more of the new fields, which will significantly decrease the impact on that neighborhood. The neighborhood representative Nikki Ochoa was totally in support of the new scheduling policy.

Discussion

With City Council's establishment of this policy, staff will be able to work with sports organizations in providing priority use to them during their peak seasons. It will also provide staff the ability to attract large events that have significant economic impact mostly between the months of January through April. Upon receipt of such a request, the staff will work with the local permitted group to rearrange their field use schedules to make room for these larger events, which is understood by all stakeholders.

Fiscal Impact

Adopting this policy will create less staff hours in customizing a new priority schedule every year. Also by giving events that have significant economic impact to the community first priority, more economic opportunity for local businesses and the City with the additional revenue from the introduction of these new sports tournaments to the City of Woodland.

Public Contact

Posting of the City Council agenda.

Commission Recommendation

Two members of the Parks and Recreation Commission participated in the development of the proposed policy and support the recommendations described herein. Due to time constraints and demand for the facilities, the full Commission has not reviewed the proposed policy.

Alternative Courses of Action

1. Approve the attached policy and 12 month scheduling guideline for the Woodland Sports Park
2. Cease further consideration of a revised policy and maintain the current policy
3. Provide staff with direction to modify the proposed policy

Recommendation for Action

Staff recommends that the City Council approve Alternative No. 1.

Attachment: Community & Senior Center Sports Facility Scheduling Policy and scheduling guidelines

Woodland Sports Park **Scheduling Policy**

Description

This policy applies to the Woodland Sports Park, which is located at the Woodland Community and Senior Center, 2001 East St. While this policy will apply to any future fields, the current fields are as follows:

- Field B (*Triplex northeast, softball/soccer/baseball*)
- Yolo Federal Field C (*Triplex southwest, softball/soccer/baseball*)
- Field D (*Triplex southeast, softball/soccer/baseball*)
- Woodland Healthcare Field (*softball/soccer/baseball*)
- Field E (*soccer*)

Priority Use Classification

The Woodland Sports Park is designed as a tournament facility to bring regional and national tournaments into the City as an economic stimulus. Being that tournaments can provide substantial revenues, these types of tournaments can supersede most other users. All efforts will be made to give current users a six (6) month notification when being displaced by major events. The displaced users will be given top priority for rescheduling activities.

The priority use schedule is as follows:

1. City Use: The City of Woodland programs and activities have first priority use.
2. Regional/National Tournaments: Must provide six (6) months advance notice and provide at least \$500,000 in economic stimulus (hotels, restaurants, etc.)
3. Youth & Senior* Resident Non-Profit: Over 50% of members must be residents. Non-fundraising activities only. The Woodland Joint Unified School District is included in this category.
4. Adult Resident Non-Profit: 50% of members must be residents. Non-profit resident youth groups conducting fundraising events are included in this category.
5. Resident Individuals or Groups: Private resident or groups.
6. Commercial Resident: Residents hosting commercial sports activities.
7. Youth & Senior* Non-Resident, Non-Profit: Non-profit teams/organizations. Over 50% of members are non-residents. Non-fundraising activities only. Other school districts would be included in this category.
8. Adult Non-Resident Non-Profit: Over 50% of members are non-residents. Non-Profit Non-Resident Youth Groups conducting fundraising activities are included in this category.
9. Non-Resident Individuals or Groups: Private non-resident or groups.
10. Commercial, Non-Resident: Non-residents hosting commercial sports activities.

**Senior priority is given at senior-designated facilities/areas (refer to Senior Center Fee guidelines of the Fee Schedule).*

Priority Users

The Woodland Sports Park is also designed to be a helm for the community to participate in sport activities all year. The following are guidelines for annual use:

Youth and Adult Fall Soccer League

- Season occurs from September through December.
- Youth league games take place Saturdays on all five (5) Woodland Sports Park fields.
- Teams practice weekdays on Woodland Healthcare Field and Field E.
- Teams practice weekdays on all five (5) Woodland Sports Park fields starting in November.
- Adult leagues have priority for reserving Sundays on all five (5) Woodland Sports Park fields.

Youth and Adult Spring/Summer Soccer League

- Seasons occur from February through August.
- Teams practice weekdays on Woodland Healthcare Field and Field E.
- Practice time may be allocated to any Triplex field if not used by Parks and Recreation.

Parks and Recreation Spring/Summer/Fall Softball League

- Seasons occur from March through October.
- Divisions play weekdays, excluding holidays.
- Games take place on all Triplex fields while accommodating the Senior Softball League.

Senior Spring/Summer/Fall Softball League

- Seasons occur from March through October.
- League plays Tuesday evenings and Thursday mornings.
- Games take place on Yolo Federal Field C and Field D.

Sports Park Tournaments

- Weekend use from January through August is reserved to accommodate major softball, soccer, and baseball tournaments.
- Tournaments may also be held on City holidays.
- Recognized local leagues receive first priority to host major tournaments.
- During softball tournaments, Field E may be allocated or rented to soccer groups.

Unreserved Time

- Parks and Recreation has priority use for January weekdays to repair any significant damage to all five (5) Woodland Sports Park fields.
- Additionally, Parks and Recreation has priority use for February weekdays to repair any significant damage to the Triplex.
- If no substantial repair is needed, Parks and Recreation uses fields to expand programs or rent to the public.
- Regular allocated field use typically takes place after 5:00 pm on weekdays unless otherwise stated.
- Weekday morning and afternoon use may be used for Parks and Recreation programs or rented to the public. This time may also be utilized to repair and maintain fields.
- Parks and Recreation utilizes all unoccupied time at the Woodland Sports Park as a source of revenue generation. This time is rented to the public on a first-come, first-served basis.
- If unreserved time exists, Woodland Sports Park is treated as a public park. The public may use open fields if there is no reservation.
- Unused time by priority users is not eligible for regular allocation.
