REPORT TO MAYOR AND CITY COUNCIL

AGENDA ITEM

TO: THE HONORABLE MAYOR
AND CITY COUNCIL

DATE: November 3, 2009

SUBJECT: Resolution to Amend Employees and Retirees PERS Medical Allowance for 2010

Report in Brief

Each year the City must authorize by City Council resolution adjustments to the PERS medical contribution rates for employees and retirees. The attached resolutions have been prepared for the City Council's consideration.

Staff recommends that the City Council adopt Resolutions Nos. _____ titled "Fixing the Employer's Contribution Under the Public Employer's Medical and Hospital Care Act".

Background

The minimum contribution for PERS medical insurance will change on January 1, 2010. PERS requires the City of Woodland to authorize by resolution that employee and retiree monthly medical contributions be adjusted to reflect minimum contribution changes. Therefore, Council is requested to approve the attached resolutions to adjust PERS medical contribution rates for employees and retirees. This adjusts the monthly employee and retiree medical contributions starting January 1, 2010 for each employee or annuitant to the amount necessary to pay the full cost of his/her enrollment, including the enrollment of his/her family members in a health benefits plan up to a maximum of \$105.00 per month. Separate resolutions are presented for the City Manager and each of the City's bargaining units.

Discussion

According to all the current Memorandum of Understandings, the City of Woodland has agreed to contribute \$105.00 toward the PERS medical benefit, effective January 1, 2010. The California Public Employee's Retirement Law requires that contracting agencies make any changes to medical

contributions by resolution and file this resolution with PERS two months before the action is to occur. This is an annual action by the Woodland City Council.

Fiscal Impact

The medical contribution amounts were memorialized in the multi-year labor agreements and the cost of the adjustments were anticipated and therefore included in the FY 2009-10 budget.
