REPORT TO MAYOR AND CITY COUNCIL

AGENDA ITEM

TO: THE HONORABLE MAYOR
AND CITY COUNCIL

DATE: January 19, 2010

SUBJECT: Yolo County Waste Advisory Committee Appointment

Report in Brief

Pursuant to the California Integrated Waste Management Act of 1989, Yolo County established the Yolo County Waste Advisory Committee to review and provide recommendations for development of goals, policies, and procedures within Yolo County and the incorporated cities on matters dealing with waste and recycling. The City of Woodland has been represented on this committee by the Environmental Resource Analyst. The current appointment of the Environmental Resource Analyst, Roberta Childers, will expire January 31, 2010.

Staff recommends that the City Council adopt Resolution No. _____ approving the reappointment of Roberta Childers as the City's representative on the Yolo County Waste Advisory Committee.

Background

In 1990, Yolo County adopted an ordinance that created the Yolo County Waste Advisory Committee, a requirement of AB 939. The purpose of the committee is to oversee and provide policy input to the Board of Supervisors on a range of solid waste issues, including implementation of the State-mandated waste reduction programs, integrated waste management, hazardous waste handling, and solid waste facilities master planning.

Membership in the committee includes one representative each from the cities of Woodland, Davis, West Sacramento, and Winters; one representative from an environmental organization; one representative from a special district; one representative from industry; and four representatives from the public. The city representatives are appointed by their respective city councils.

The Woodland City Council has previously appointed the Environmental Resource Analyst to represent the City of Woodland on the committee. Committee appointments are for four-year terms. In July 2008, the Council appointed Roberta Childers to finish out the term of the previous Environmental Resource Analyst.

Discussion

The programs addressed by the Waste Advisory Committee fall within the purview of the job duties of Ms. Childers. Staff believes that Ms. Childers is the most appropriate representative of the City of Woodland on the committee.
