RESOLUTION NO. 3930 - MID-MANAGEMENT MEMORANDUM OF UNDERSTANDING:

Assistant City Manager Kristine James advised that representatives of the City and the Mid-Management/Professional Employee Unit have reached a tentative agreement on terms and conditions of employment over a two-year period from FY 1995-96 through FY 1996-97. She said the Memorandum of Understanding (MOU) provides a salary increase of three percent effective October 1, 1995, and a subsequent salary increase of three percent effective July 1, 1996 for each of the 26 full time positions covered by the MOU. The MOU also calls for employees to switch medical insurance coverage to the CalPERS Plan effective January 1, 1996. She then reviewed with Council the other significant changes. Implementing the MOU will increase City costs for this unit by an estimated \$34,660 in FY 1995-96 and by an additional \$46,800 in FY 1996-97. She said at the same time on a citywide basis, the change in medical insurance also reduces the City's health insurance costs by approximately \$400,000 annually.

After some discussion Council took the following action:

On motion of Council Member Rominger, seconded by Council Member Borchard and carried by unanimous vote, the City Council adopted Resolution No. 3930 approving a two-year Memorandum of Understanding (MOU) with the Mid-Management/Professional Employees Association.

CLOSED SESSION:

Council adjourned the special session to a closed session at 10:25 a.m. for a conference regarding labor negotiations with Confidential Employees, Management Employees, and the City Manager (pursuant to Government Code Section 54957.6).
