OTHERS PRESENT: None

PUBLIC COMMENT:

Council Member Crescione outlined certain meetings he attended at the October 1990 League of California Cities Annual Conference which he believed were helpful in understanding related situations in Woodland.

CITY GOALS:

The Council reviewed the goals they had identified for the City organization in July 1990 and discussed progress that had or had not been made on particular items. Suggestions were made to augment the goals with certain objectives. The Council also agreed to add an additional goal as follows:

"Make best possible use of water resources."

DISCUSSION OF MEETING TIME CHANGE:

The Council considered a possible change in regular meeting times by moving the start of the meeting to 7:00 p.m. from 7:30 p.m. The advantages and disadvantages of the change were discussed. Eventually no change in regular meeting times were made.

LEAGUE OF CALIFORNIA CITIES POLICY RESOLUTIONS:

The Council discussed the City's process of considering and voting on League of California Cities policy resolutions. For several reasons during the most recent League of

California Cities Annual Conference not all Council Members were involved in the voting decisions made at the conference. It was concluded that in future years the Council should schedule a meeting just prior to the League's Conference to specifically review the proposed policies and advise the City's voting delegate accordingly.

CLOSED SESSION:

The Council convened a closed session to discuss personnel matters at 11:30 a.m.

ADJOURNMENT:

At 12:15 p.m. the meeting was adjourned.

Deputy City Clerk of the City of Woodland
