POLICE BUILDING SITE REPORT:

The Police Building Site Committee, appointed by the City Council earlier in the year, presented its report to the Council. The report outlined its activities and its recommendation for acquiring a new City police station site. The recommendation suggested that the Council consider three different, specific sites.

After some discussion the Council informally requested that the report be circulated to the City's Planning Commission and Traffic Safety Commission for their comments. The Council will be asked on December 19 to set a date for public hearing on the report.

ADJOURNMENT:

At 7:35 a.m. the meeting was adjourned.
