- [1] Excess Yardage/Snapshot service fee would apply to Commercial Customers each time a Customer's Bin or Debris Box is overloaded. Driver documents the conditions with photographs, which are used by the Company in subsequent Customer contact.
- [2] The Trip Charge would apply when a Commercial Customer schedules a Debris Box service call that is not needed after Company arrives at the Customer location. Company must be given a 24 hour cancellation notice by the Customer.
- [3] The Inactivity service fee would be charged if a Customer has a Debris Box, temporary Bin, or Compactor longer than the14-day rental period without scheduling a pickup. On the 15th day and going forward, the customer would be charged an additional \$11.26 per day. The maximum fee per month is \$168.91.
- [4] The Reactivation service fee would be charged for administrative costs to restart a Commercial Customer account that has been terminated pursuant to Section 7.1.2 of the Agreement due to non-payment
- [5] A Commercial Customer may receive one container exchange every four (4) years at no charge. In addition, each Commercial Customer shall receive new containers at no charge if the container is damaged through normal wear and tear or through no fault of the Customer. Additional exchanges, either as a result of a Customer's request or because of Customer-caused damage to the container, will result in the Container Exchange Fee.
- [6] The Delivery service fee would be charged for the delivery of a container to a Commercial Customer that is restarting services that were previously terminated pursuant to Section 7.1.2 of the Agreement due to non-payment.
