Explore Historic Woodland is an updated and expanded version of the original self-guided walking tour that was prepared by the Woodland Historical Landmarks Advisory Committee in 1975 and updated and expanded by the City of Woodland Historical Preservation Commission in 1989 and 1997. The information in this booklet has been carefully researched and verified. If any information is found to be incorrect, please let the Commission know by calling (530) 661-5820. Any additional information relating to the architecture or history of the homes and other buildings would also be appreciated. All of the homes on this tour are private residences and are not open to the public.

This publication was partially funded by Woodland's "Stroll Through History" held each year the first Saturday following Labor Day. www.strollthroughhistory.com
