

# CHIEF'S ADVISORY BOARD

Woodland Police Department

## Helen Bouslaugh

Helen Bouslaugh has been a resident of Woodland for 45 years. She lives in Woodland with her husband, Robert. They have a blended family of four daughters, four grandsons, and five great-grandchildren. Helen spent much of her working life traveling and working with people of all ages and backgrounds. Upon retirement, her goal was to find ways to give back to the community using her experience with customer service, auditing, training and management.

Helen has volunteered at Woodland Christian School where she loves interacting with young people. She has also volunteered with the Yolo County Elections as a precinct supervisor. She was instrumental in forming her Neighborhood Watch group and is actively involved in their need for traffic calming with an eye on some of those same solutions for other areas of Woodland. She feels it is important to become involved in your community no matter how small the footprint.
