

CHIEF'S ADVISORY BOARD

Woodland Police Department

Leslie Deniz

Leslie Deniz is a Professor with the Woodland Community College Administration of Justice Program. Like many of her students, she is first generation in attending college and started her formal higher educational experience within the California Community College system. She holds an Associate of Science, Bachelor of Art Degree, as well as a Master's in Organizational Management, all of which have been extremely helpful throughout her law enforcement and academia career.

Leslie is constantly looking at new and innovative ways to engage student learning. She helped develop and used point to point technology to deliver classroom lectures in real time to students in remote locations off campus. She wants students to be academically successful and to set and achieve career goals. Leslie enjoys the outdoors, working out and spending time with family and friends.
