Mobile Food Vendor Requirements

Mobile food vending is defined as any vehicle from which goods, wares, merchandise, materials, fruits, vegetables or foodstuffs are sold, displayed, solicited or ordered for sale, bartered, or exchanged, or any lunch wagon or eating cart.

Requirements for mobile food vendor to operate in Woodland:

- **Public health permit** from Yolo County
- **Business license** from the City of Woodland
- **Mobile Vendor Permit** issued from the Community Development Department to operate on private property or an encroachment permit to operate on public property. Vendors operating on public property for less than thirty (30) minutes at any one location are exempt from Vendor Permit requirement.

County Permitting Requirements: Public Health Permit from Yolo County

The California Retail Food Facilities Law (CURFFL) governs health standards for retail food sales. CURFFL and City Municipal Code Section 10.20.090 require a Public Health Permit before any public sales occur.

- The annual permit is obtained from the **Yolo County Environmental Health Department**.
- Vendors must complete an application and have their cart or vehicle inspected before a permit can be obtained.
- **Inspections:** 8:00-9:00— AM daily at the Environmental Health Department offices (call for an appointment).
- **Fees:** mobile food preparation vehicles: Contact Yolo County for exact fees.
- All questions pertaining to health standards and the public health permit should be directed to the Yolo County Environmental Health Department.
