

**CITY OF WOODLAND**  
**NOTICE OF FUNDING AVAILABILITY (NOFA), CDBG-CV3 (CARES ACT) FUNDS**  
**APPLICATIONS DUE JULY 7, 2021 BY 11:59 PM**

In response to the Coronavirus Pandemic (COVID19) the U.S. Department of Housing and Urban Development Community Development Block Grant (CDBG) program has allocated the City of Woodland \$422,831 from the third round of CDBG-CV funding to be used specifically for the prevention of, preparation for, and response to the Coronavirus. This allocation was authorized by the Coronavirus Aid, Relief, and Economic Security Act (CARES Act), Public Law 116-136. The City of Woodland is seeking applications/proposals for eligible activities from nonprofit organizations with an active 501(c)(3) registration or government entities that have an active registration in The System for Award Management (SAM), are able to provide audited financial statements, and comply with all other CDBG regulations. All activities must be CDBG eligible and must be used to prevent, prepare for, and respond to COVID19 and all other funding options must be used prior to using CDBG-CV3 funding. Funding will be provided on a cost reimbursement basis.

The City of Woodland will accept applications for **Public Services**, including emergency subsistence payments. Eligible **Public Services** activities include but are not limited to the following:

- Carry out job training in neighborhoods affected by coronavirus related job loss since January 2020 to revitalize affected labor force and business sectors to help workers re-train for expanding sectors.
- Increase the capacity and availability of daycare or after-school services serving low/moderate income areas in which parents have dropped out of the workforce since January 2020 to enable workers to rejoin the workforce.
- Provide equipment, supplies, and materials necessary to carry-out a public service related to the effects of the pandemic, or to enable resilience to the effects of coronavirus in future, such as food banks, youth services, health care, WIFI, or senior services.
- Provide testing, diagnosis, vaccination, or other health services to low/moderate income persons at a mobile location.
- Provide up to six consecutive months of emergency subsistence payments (for example, for rent, mortgage, or utilities) to a provider on behalf of a family to prevent eviction or stabilize low/moderate income neighborhoods affected by economic disruption since January 2020.
