For Internal Use Only

Community Development Verification

- The project is located within the City of Woodland.
- The project has received final discretionary approval by the City Council, Planning Commission, or staff as deemed appropriate.
- The project has undergone all required environmental review and shall be in compliance with all requirements established by the environmental document prepared for the project.
- All conditions of approval, as applicable at the time of permit issuance, have been met.
- All fees imposed by a government agency other than the City either shall have been paid or shall have been the subject of a fee deferral agreement between the applicant and the agency imposing the fees.

Verified by: _____ Date: _____

Finance Verification

- All payments of taxes and assessments on the property on which the project is located are current.
- The applicant has no unpaid balances due to the City for the project or any other project or purpose.
- The applicant and/or his, her, or its partners and affiliates on the project have been deemed by the City to present a low risk of non-payment of fees.
